Lawmaking for Development

Law, Governance, and Development

The Leiden University Press series on Law, Governance, and Development brings together an interdisciplinary body of work about the formation and functioning of legal systems in developing countries, and about interventions to strengthen them. The series aims to engage academics, policy makers and practitioners at the national and international level, thus attempting to stimulate legal reform for good governance and development.

General Editors:

Jan Michiel Otto (Leiden University) and Benjamin van Rooij (Leiden University)

Editorial Board:

Abdullahi Ahmed An-Naím (Emory University)
