CHAPTER 7	Psychopathology and its risk and protective factors in hearing-impaired children and adolescents: a systematic review	101
CHAPTER 8	General discussion	119
CHAPTER 9	Summary/samenvatting	131
APPENDICES	Search terms of literature review	144
	Abbreviations	146
	List of contributing authors	147
	List of papers	148
	Curriculum Vitae	150

Not being able to see isolates you from objects.
Not being able to hear isolates you from people.

Immanuel Kant (1724 – 1804)

For my parents, Katja & Carla, and Daan
