New Perspectives on Cardiovascular Risk Prediction in Old Age

Proefschrift

ter verkrijging van
de graad van Doctor aan de Universiteit Leiden,
op gezag van Rector Magnificus prof.mr. C.J.J.M. Stolker,
volgens besluit van het College voor Promoties
te verdedigen op donderdag 17 september 2015
klokke 15.00 uur

door

Rosalinde Klazina Elisabeth Poortvliet

geboren te Aalsmeer
in 1981

PROMOTIECOMMISSIE

| | |
|---------------|---|
| Promotor | Prof. dr. J. Gussekloo |
| Co-promotor | Dr. W. de Ruijter |
| Overige leden | Prof. dr. Y.M. Smulders, Vrije Universiteit Amsterdam Prof. dr. T. Stijnen Dr. E.P. Moll van Charante, Universiteit van Amsterdam |

The research project presented in this thesis was funded by the SBOH (employer of GP trainees in the Netherlands). Financial support for printing of this thesis was kindly provided by the SBOH and the NVG-knows (Dutch Association for Gerontology).

CONTENTS

| | | |
|---------------|--|-----|
| Chapter 1 | General introduction | 7 |
| Part 1 | Multiple blood pressure measurements in cardiovascular risk prediction in old age | |
| Chapter 2 | Blood pressure variability and cardiovascular risk in the PROspective Study of Pravastatin in the Elderly at Risk (PROSPER) | 27 |
| Chapter 3 | Biological correlates of blood pressure variability in elderly at high risk of cardiovascular disease | 45 |
| Chapter 4 | Low blood pressure predicts increased mortality in very old age even without heart failure: the Leiden 85-plus Study | 65 |
| Chapter 5 | Blood pressure trends and mortality: the Leiden 85-plus Study | 79 |
| Part 2 | N-terminal pro-brain natriuretic peptide levels in cardiovascular risk prediction in old age | |
| Chapter 6 | Risk stratification and treatment effect of statins in secondary cardiovascular prevention in old age: additive value of NT-proBNP | 99 |
| Chapter 7 | Increase in N-terminal pro-brain natriuretic peptide levels, renal function and cardiac disease in the oldest old | 117 |
| | Final chapters | |
| Chapter 8 | General discussion | 137 |
| Chapter 9 | Summary | 155 |
| Chapter 10 | Dutch summary | 163 |
| | Bibliography | 169 |
| | Dankwoord | 171 |
| | Curriculum vitae | 173 |
