Immunological challenges during pregnancy; preeclampsia and egg donation

The research described in this thesis was performed at the department of Immunohematology and Blood Transfusion and the department of Obstetrics at the Leiden University Medical Center, Leiden, The Netherlands.

ISBN

Cover and layout: Marie-Louise van der Hoorn  
Four pregnancies which colored this thesis; preeclamptic, normal, ivf and egg donation pregnancies.

Printed by: Offpage.nl

Financial support for the publication of this thesis was kindly provided by: Beckman Coulter BV, BMA BV (Mosos), Clean Air Techniek BV, Corning BV, Freya; vereniging voor mensen met vruchtbaarheidsproblemen, Greiner Bio-One, J.E. Juriaanse Stichting, Medical Dynamics, Memidis Pharma BV, Nationaal Referentie Centrum voor Histocompatibiliteit, Rabobank Medicidesk, Stichting HELLP-syndroom, Stichting Oranjekliniek and VPS Diagnostics.

- Chapter 2** Changes in cytokine production and composition of peripheral blood leukocytes during pregnancy are not associated with a difference in the proliferative immune response to the fetus 33

*Human Immunology 2011;72:805-811*

- Chapter 3** Differential distribution and phenotype of decidual macrophages in preeclamptic versus control pregnancies 49

*The American Journal of Pathology 2011;178(2):709-17*

- Chapter 4** Preeclampsia in non donor IVF and egg donation pregnancy: is there a different pathophysiology? 65

*Fertility and Sterility 2011;95(2):805 e1-3*

*Nederlands Tijdschrift voor Geneeskunde 2010;154:A1982*

- Chapter 5** Egg donation pregnancy as an immunological model for solid organ transplantation 77

*Transplant Immunology 2011;25(2-3):89-95*

- Chapter 6** Clinical and immunologic aspects of egg donation pregnancies: a systematic review 91

*Human Reproduction Update 2010;16(6):704-12*

- Chapter 7** Differential immunoregulation in successful oocyte donation pregnancies compared with naturally conceived pregnancies 107

*Submitted paper*

- Chapter 8** Summary and general discussion 125

- Chapter 9** Nederlandse samenvatting 135
