PROEFSCHRIFT

ter verkrijging van

de graad van Doctor aan de Universiteit Leiden,

op gezag van Rector Magnificus prof.mr. P.F. van der Heijden,

volgens besluit van het College voor Promoties

te verdedigen op donderdag 26 april 2007

klokke 15.00 uur

door

Liesbeth Hameetman

geboren te Gouda

in 1978

Promotiecommissie

Promotor:	Prof. Dr. P.C.W. Hogendoorn
Co-promotores:	Dr. J.V.M.G. Bovée Dr. A.M. Cleton-Jansen
Referent:	Dr. W. Wuijts (Universiteit van Antwerpen, Antwerpen, België)
Overige leden:	Prof. Dr. A.H.M. Taminiau Prof. Dr. J.M. Wit Prof. Dr. P. ten Dijke Prof. Dr. M.H. Breuning Prof. Dr. A. Vortkamp (University Duisburg-Essen, Essen, Germany)

Financial support:

The studies described in this thesis were financially supported by the Dutch Cancer Society (RUL-2002-2738), who received additional financial support from the Terry Fox Run.

The printing of this thesis was financially supported by the Dutch Cancer Society (KWF), the J.E. Jurriaanse stichting and Dako Netherlands bv.

CONTENTS

Chapter 1	General introduction	1
Chapter 2	Multiple Osteochondromas: Clinicopathological and Genetic Spectrum and Suggestions for Clinical Management <i>Hereditary Cancer in Clinical Practice (2004); 2(4):161-173</i>	29
Chapter 3	Resolving the role of EXT1 in non-hereditary osteochondroma: identification of homozygous deletions <i>Journal of the National Cancer Institute (2007) 99: In press</i>	49
Chapter 4	Decreased EXT expression and intracellular accumulation of HSPG in osteochondromas and peripheral chondrosarcomas <i>Journal of Pathology 2007; 211(4): 399-409</i>	69
Chapter 5	Peripheral chondrosarcoma progression is accompanied by decreased Indian Hedgehog (IHH) signalling <i>Journal of Pathology (2006) 209(4): 501-511</i>	87
Chapter 6	The use of BCL2 and PTHLH immunohistochemistry in the diagnosis of peripheral chondrosarcoma in a clinicopathological setting <i>Virchows Archiv (2005) 446: 430-437</i>	109
Chapter 7	EXT-related pathways are not involved in pathogenesis of Dysplasia Epiphysealis Hemimelica and Metachondromatosis <i>Journal of Pathology (2006) 209(3):411-419</i>	123
Chapter 8	Summary and Discussion	137
	Nederlandse samenvatting	149
	List of publications	159
	Curriculum Vitae	161
	Nawoord	163
