PROEFSCHRIFT

ter verkrijging van

de graad van Doctor aan de Universiteit Leiden,

op gezag van Rector Magnificus prof.mr. P.F. van der Heijden,

volgens besluit van het College voor Promoties

te verdedigen op donderdag 26 april 2007

klokke 15.00 uur

door

Liesbeth Hameetman

geboren te Gouda

in 1978

Promotiecommissie

Promotor: Prof. Dr. P.C.W. Hogendoorn

Co-promotores: Dr. J.V.M.G. Bovée
Dr. A.M. Cleton-Jansen

Referent: Dr. W. Wuijts
(Universiteit van Antwerpen, Antwerpen, België)

Overige leden: Prof. Dr. A.H.M. Taminau
Prof. Dr. J.M. Wit
Prof. Dr. P. ten Dijke
Prof. Dr. M.H. Breuning
Prof. Dr. A. Vortkamp
(University Duisburg-Essen, Essen, Germany)

Financial support:

The studies described in this thesis were financially supported by the Dutch Cancer Society (RUL-2002-2738), who received additional financial support from the Terry Fox Run.

The printing of this thesis was financially supported by the Dutch Cancer Society (KWF), the J.E. Jurriaanse stichting and Dako Netherlands bv.
