Title: The impact of climate variability on the ecology of a lion (*Panthera leo* Linnaeus 1758) population and lion livestock conflicts in the Amboseli ecosystem – Kenya

Issue Date: 2015-11-19

A lioness is shown in profile, looking towards the right. The background is a vast savanna with tall, dry, yellowish-brown grass. The lioness has a light brown coat with some darker spots on its face and neck.

The Impact of Climate Variability on the Ecology of a Lion (*Panthera leo* *Linnaeus 1758*) Population and Lion Livestock Conflicts in the Amboseli Ecosystem – Kenya
