## **Acknowledgements**

This thesis is the result of many years of research on the topic- Legal Implications of Airport Privatization in India.

This experience has been meaningful and has empowered me to gain insight into various aspects of airport privatization and related issues. This period of intense research has enabled me to meet and interact with many experts in the field for which I am very grateful.

I am indebted for the help and guidance of my Promoters, Prof. Dr. Pablo Mendes de Leon, Director of the International Institute of Air and Space Law, Leiden University as well as Prof. Dr. Brian F. Havel, Director, International Aviation Law Institute, De Paul University. I am also thankful to Prof. Dr. Peter Haanappel, Emeritus Professor of the International Institute of Air and Space Law, Leiden University, for his motivation and guidance during the initial stage of my research.

My special thanks to Mr. Sagar Singam Setty, Ms. Yamuna Kumaraswamy, Mrs Prathima Sagar, Mr. John Wheeler, Mr. Shiva Mohan, Adv Promod Nair and Mrs. Ragini for their support, advice and encouragement. I am indebted to Ms. Paula van der Wulp and Ms Natascha Meewisse of the IIASL, Leiden University for their help and assistance.

I am thankful to my parents who have cultivated a questioning mind and zeal for knowledge.

Finally, I express my gratitude to my wife Annamma and my children Namitha and Rtwick whose continuous encouragement and support during the years has made the completion of my thesis work possible.
