W indicates Ware; thus W1.1 refers to Ware 1 (as described in the
list of wares in Chapter 6), sherd number 1.

Numbers behind the site names refer to the diagnostic finds
discussed in the catalogue of the assemblages in Chapter 5; thus
(no. 6.1) refers to the first discussed sherd of site no. 6.

Note: the indication 'Ex.' in captions of Chapters 5 & 6 means
'Example' (of a particular ware).
