## ACKNOWLEDGEMENTS

I would like to express my thanks to the staffs of the University Library in Leiden, the British Library and the Victoria and Albert Museum in London, who have been most helpful. Similar courtesy was extended by the staffs of the Edinburgh University Library, the Royal Library in The Hague, the Royal Institute of Linguistics and Anthropology in Leiden, the J.R. Ritman Library (Bibliotheca Philosophica Hermetica) in Amsterdam, the Library of the Vrije Universiteit in Amsterdam as well as that of the University of Amsterdam, the Library of the University of Utrecht, the Moravian archives in Herrnhut, and the Library of the Society of Friends in London. I especially thank my friends Cathy Burgersdijk, Ria Taffijn and Christa de Jager for their support, and I am very grateful to Ko Bruynzeel for his invaluable assistance to prepare the text and plates for the printer. But, most of all, I am deeply grateful to Han for his patience, support and encouragement.
