NMR Spectroscopy and Chemometrics-based Analysis of Grapevine

PROEFSCHRIFT

Ter verkrijging van
de graad van Doctor aan de Universiteit Leiden,
op gezag van Rector Magnificus prof. mr. P. F. Van der Heijden,
volgens besluit van het College voor Promoties
te verdedigen op donderdag 20th September 2011
klokke 11:15 uur

door

Kashif Ali
geboren te Karachi, Pakistan
in 1981

Promotiecommissie

Promotor	Prof. Dr. R. Verpoorte
Co promotor	Dr. Y. H. Choi
Overige Leiden	Prof. Dr. C. J. ten Cate Prof. Dr. P. G. L. Klinkhamer Dr. F. Maltese Dr. A. M. Fortes

To My Parents...!!!

NMR spectroscopy and chemometrics-based analysis of grapevine
Printed by: Wöhrmann Print Service
ISBN

Cover designed by:
Tausif Ali
Sr. Web and Graphic Desginer
Software Technology Inovators (STI)
Sir Syed University of Engineering and Technology (SSUET)
Karachi-Pakistan

Contents

Chapter 1	General introduction	1
Chapter 2	Metabolic constituents of grapevine and grape-derived products	7
Chapter 3	Metabolomics: platforms, applications, and perspectives for grape and wine research	35
Chapter 4	Pre-analytical method for NMR-based grape metabolic fingerprinting and chemometrics	59
Chapter 5	Monitoring biochemical changes during grape berry development in Portuguese cultivars by NMR spectroscopy	77
Chapter 6	NMR spectroscopy and chemometrics as a tool for anti-TNFα activity screening in grapes	99
Chapter 7	Metabolic characterization of Palatinate German white wines according to sensory attributes, varieties, and vintages using NMR spectroscopy and multivariate data analyses	121
Chapter 8	Red wines attenuates TNFα production hystiocytic lymphoma cell line: An NMR spectroscopy and chemometrics-based study	143
Chapter 9	NMR metabolic fingerprinting-based identification of grapevine metabolites associated with Downy Mildew resistance	161
Chapter 10	NMR-based study of alterations in grapevine leaf metabolism upon inoculation with *Plasmapora viticola*	179
Chapter 11	General discussion, conclusions, and perspectives	197
	Summary	207
	Samenvatting	211
	References	217
	Acknowledgements	237
	Curriculum vitae	239
	List of publications	241
