Massimo Cella was born in Lodi, Italy, on November 13, 1978, to Giuseppe and Mariangela Cella. He attended Pavia University, graduating with a Master of Science in Pharmaceutical Chemistry and Technology in 2004. He started his PhD research programme, which led to this thesis, in 2005 at the Division of Pharmacology of the Leiden-Amsterdam Center for Drug Research, under the supervision of Professor Meindert Danhof and Doctor Oscar Della Pasqua.
