Adoptive transfer of tumor- and minor antigen-specific T cell reactivity in mouse models

Proefschrift

ter verkrijging van

de graad van Doctor aan de Universiteit van Leiden,

op gezag van de Rector Magnificus prof. mr. P.F. van der Heijden,

volgens het besluit van het College voor Promoties

te verdedigen op donderdag 29 mei 2008

klokke 13.45

door

Moniek Angenies de Witte

geboren te Nijmegen

in 1976

Promotiecommissie:

Promotor: Prof. Dr. T.N.M. Schumacher

Referent: Prof. Dr. J.H.F. Falkenburg

Overige leden: Prof. Dr. J. Borst (Universiteit van Amsterdam)
Prof. Dr. M.H. van Oers (Universiteit van Amsterdam)
Prof. Dr. H.J. Stauss (University College London, United Kingdom)
Prof. Dr. J.J. Neeffjes

Het geluk zit in een klein boekje...

Aan mijn familie

The studies described in this thesis were performed at the Department of Immunology at the Netherlands Cancer Institute (NKI), Amsterdam.

This study was financially supported by grants from the Netherlands Organization for Scientific Research (NWO Pioneer grant 00-03) and the EU 6th Framework program (ATTACK).

The printing of this thesis was financially supported by:

- Stichting AMSTOL
- BD Biosciences
- Corning BV

Contents

Chapter 1:	General introduction	9
Chapter 2:	Feasibility of removal of MiHA _g -specific T cell responses and consequences for Graft versus Host Disease. <i>Blood 109: 3830-8 (2007)</i>	17
Chapter 3:	Prospects and limitations of T cell receptor gene therapy. <i>Curr Gene Ther. 5: 583-93 (2005)</i>	29
Chapter 4:	Targeting self antigens through allogeneic TCR gene transfer. <i>Blood 108: 870-7 (2006)</i>	43
Chapter 5:	Assessing TCR gene therapy and vaccination in spontaneous prostate carcinoma in mice. <i>Journal of Immunology, accepted for publication</i>	59
Chapter 6:	Requirements for effective anti-tumor responses of TCR transduced T cells. <i>Submitted for publication</i>	77
Chapter 7:	An inducible caspase 9 safety switch can halt cell therapy-induced autoimmune disease. <i>Journal of Immunology, in press</i>	97
Chapter 8:	General discussion	115
	Summary	133
	Nederlandse samenvatting	135
	Curriculum Vitae	139
	List of publications	141
