Table of contents

Chapter 1	Introduction	9
Part I	The clinical association of C1q and anti-C1q	35
Chapter 2	Identification of a novel non-coding mutation in C1qB in a Dutch child with C1q deficiency with recurrent infections <i>Immunobiology, van Schaarenburg 2015</i>	37
Chapter 3	Marked variability in clinical presentation and outcome of patients with C1q deficiency <i>J Autoimmun, van Schaarenburg 2015</i>	53
Chapter 4	C1q deficiency and neuropsychiatric systemic lupus erythematosus <i>Frontiers Immunol, van Schaarenburg & Magro-Checa 2016</i>	67
Chapter 5	Complement activation and anti-C1q autoantibodies in patients with neuropsychiatric systemic lupus erythematosus <i>Lupus, van Schaarenburg & Magro-Checa 2016</i>	85
Part II	The local production of C1q by immune and non-immune cells	105
Chapter 6	The production and secretion of complement component C1q by human mast cells <i>Mol. Immunol. van Schaarenburg 2016</i>	107
Chapter 7	Human chondrocytes produce and secrete C1q <i>Manuscript in preparation</i>	123
Chapter 8	Summary and discussion	137
Chapter 9	Nederlandse samenvatting	149
	Curriculum Vitae	154
	List of publications	155
	Acknowledgement	157
