Title: Effect of prosody awareness training on the quality of consecutive interpreting between English and Farsi

Issue Date: 2017-06-07

Curriculum vitae

Mahmood Yenkimaleki was born on June 30, 1975 in Tafresh, Iran. He graduated from Kashan University in the field of Teaching English as Foreign Language. In 1999, he obtained his bachelor's degree and worked as an English teacher at high school for a year. In 2001, he was admitted as a master candidate at the University of Isfahan majoring in Teaching English as Foreign Language. He graduated in 2003 as top student from the University of Isfahan and started as a lecturer at Tafresh Azad University and Arak University. In 2004 he was promoted to head of the Translation Department at Tafresh Azad University and continued this job till he came to Leiden to do his PhD on the effect of prosody awareness training on the quality of consecutive interpreting between English and Farsi. The present dissertation is the result of this research.
