Title: Age of onset of disruptive behavior of residentially treated adolescents

Issue Date: 2019-02-06

A vertical artwork featuring a hand reaching upwards from a body of water. The hand is rendered in a light, yellowish-tan color with dark outlines, emerging from a blue and green textured surface that represents water. The background is a dark, brown, textured area with a bright, glowing light source at the top, creating a dramatic, almost ethereal atmosphere. The entire composition is framed by a light brown, textured border.
