Title: Traces of language contact: The Flores-Lembata languages in eastern Indonesia

Issue Date: 2019-11-13

Curriculum Vitae

Hanna Fricke was born in Winsen an der Luhe, Germany in 1987. After graduating from high school at the Ellenrieder Gymnasium in Konstanz in 2007, she studied a Bachelor of Arts in Southeast Asian Studies at the University of Hamburg. She focussed on Indonesian language and culture in her major and took a minor in French linguistics. In 2010, she spent one semester of her studies at the Gadjah Mada University in Yogyakarta, Indonesia. In 2012, she continued her linguistic studies in the Research Master program at the Leiden University Center for Linguistics (LUCL). For her Master thesis, she conducted field research in the village of Hewa in eastern Indonesia and compiled a description of several grammatical aspects of the Hewa language (published as Fricke 2014a). After obtaining her Master's degree, she worked as a teacher of German as a foreign language in Berlin. In 2014, she started her PhD research in Leiden, as part of the NWO funded VICI project *Reconstructing the past through languages of the present: The Lesser Sunda Islands* led by Prof. dr. Marian Klamer (project number: 277-70-012). She is currently a research assistant in the same project.
