Key words: errata, addenda – accretion, accretion discs – neutrinos – radiative transfer – stars: neutron – X-rays: binaries.

This is an erratum to the paper ‘Electron–positron pairs in hot plasma of accretion column in bright X-ray pulsars’ that was published in *Mon. Not. R. Astron. Soc. Letters*, **485**, L131–L135 (2019).

In the original version of this article the author, Alexander Mushtukov, was incorrectly listed. This has now been rectified and the author apologises for the error.
