Curriculum vitae

Kelly Jonkman was born on the 2nd of March 1986 in Purmerend. She achieved her VWO degree in 1998 at Jan van Egmond College in Purmerend. After this she studied Pharmacy for two years at the University of Utrecht, before she started her study Medicine at the Vrije Universiteit of Amsterdam. She finished her Master degree in Medicine in May 2013. After graduation she started as physician at the department of Intensive Care Medicine at St Elisabeth Hospital in Tilburg. In August 2015, she started to work as a PhD student at the department of Anesthesiology at Leiden University Medical Center under supervision of prof. dr. A. Dahan. After 2.5 years of fulltime research, she started working at the department of Pulmonary Medicine at Franciscus Gasthuis and Vlietland, Rotterdam, combined with finishing the PhD thesis.

From January 2021 she will start her residency in Pulmonary Medicine in Franciscus Gasthuis and Vlietland.
