(Universitair Medisch Centrum Utrecht)

Overige leden: *Prof. Dr. M.H. Breuning*
Prof. Dr. A.A. Kaptein

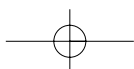

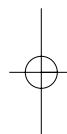

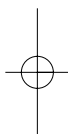

*Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise.*

*Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free.*

*Blackbird fly Blackbird fly
Into the light of the dark black night.*

(Lennon / McCartney)
