The image features a central text block surrounded by numerous black silhouettes of hands holding various objects and tools. These include a salt shaker, a magnifying glass, a dumbbell, a whisk, pliers, a toothbrush, a pair of scissors, a mug, a fork, a telephone receiver, a hammer, a key, a leaf, a pencil, chopsticks, a funnel, a small plant, a fan, and a wrench. The silhouettes are arranged in a circular pattern around the central text.

Rehabilitation strategies
to improve physical functioning
in patients with musculoskeletal diseases
