A large number '10' is formed on a grid of small, multi-colored dots (blue, green, purple, orange, and red). The number is centered on the page. The background is a light gray grid with the same colored dots scattered throughout.

Counting problems for number rings

Counting problems for number rings

Jos Brakenhoff

A yellow shaded region is overlaid on the number '10', covering its central and right-hand portions. The dots within this region are visible through the semi-transparent yellow.
