Title: Risk factors and outcome measures in hand and knee osteoarthritis

Issue Date: 2016-04-14

A hand with a yellowish tint, showing the skeletal structure of the fingers and wrist. The bones are highlighted in a bright yellow color against a dark green background. The hand is positioned palm-up, with the fingers spread. The skeletal structure is clearly visible, including the metacarpals, phalanges, and the carpal bones of the wrist.

Risk factors and outcome measures in hand and knee osteoarthritis
