The research presented in this thesis was supported by the Netherlands Foundation for the advancements of Tropical Research (grant number WOTRO 93-467), the Netherlands Organization for Scientific Research (NWO 051-14-050), the EU funded Network of Excellence LifeSpan (FP6 036894), an unrestricted grant of the Board of the Leiden University Medical Center and Stichting Dioraphte.

Ik word aan 't oud zijn niet gewend.

*De lichtelaie die 'k heb gekend
zit nog te diep in mijne knoken
en blijft mij dag en nacht bestoken.*

Willem Elsschot

Contents

Chapter 1 General introduction	9
Chapter 2 Regulation of human life-histories: the role of the inflammatory host response	21
Chapter 3 The Bimoba: the people of Yennu	41
Chapter 4 Socio-economic status by rapid appraisal is highly correlated to mortality risks in rural Africa	65
