ACKNOWLEDGEMENTS

The English quotations from the Old Testament are based on the *New Revised Standard Version. Anglicized Edition* (Oxford 1995); occasional alternative translations are not explicitly indicated.

For the Assyrian prophecies, I largely follow Simo Parpola's edition, *Assyrian Prophecies, State Archives of Assyria 9* (Helsinki 1997), but usually offer my own translation of the prophetic texts. Transcriptions of the Assyrian prophetic texts are mostly based on Martti Nissinen et al., *Prophets and Prophecy in the Ancient Near East* (Atlanta 2003).

I would like to thank Helen Richardson-Hewitt who corrected the English of this book. For any errors that remain the author alone is responsible.
