Curriculum Vitae

Jeroen Bouterse was born in Rotterdam in 1988. After completing his secondary education at the Gymnasium Erasmianum in Rotterdam, he completed his BA in history at Leiden University (*cum laude*), and research masters in Ancient History and Historical and Comparative Studies of the Sciences and Humanities at Leiden University and Utrecht University respectively (*cum laude*). Between 2011 and 2015, he worked as a PhD student at the Institute for Philosophy at Leiden University, participating in an NWO-sponsored project on the 'Philosophical Foundations of the Historiography of Science', led by dr. James W. McAllister. During this time, he also obtained a teaching qualification in history at the University of Amsterdam. He now works as a mathematics teacher at the Krimpenerwaard College in Krimpen aan den IJssel.
