Title: Adjuvant-conjugated peptide vaccines for immunotherapy of cancer

Date: 2017-10-19

The background features a light beige color with a pattern of scattered, semi-transparent triangles in various colors including orange, red, brown, green, blue, and teal. At the bottom, two hands are depicted in a low-poly, geometric style. The hand on the left is composed of orange and brown triangles, while the hand on the right is composed of blue and teal triangles. They are positioned as if reaching towards each other, with their fingers just inches apart.
