Title: Prevalence, symptoms and risk profiles of apathy at old age

Issue Date: 2017-11-07

The background of the cover is an abstract composition of various textures and colors. The upper portion features soft, blended brushstrokes in shades of light blue and teal. The lower portion is dominated by a dense, chaotic pattern of dark teal and blue lines, resembling a heavily textured surface or a complex network of fibers. The overall effect is one of depth and movement, with the colors transitioning from a pale, airy blue at the top to a more saturated, textured blue at the bottom.

Prevalence, symptoms and risk profiles of apathy at old age
