PROEFSCHRIFT

ter verkrijging van

de graad van Doctor aan de Universiteit Leiden,

op gezag van de Rector Magnificus prof.mr. C.J.J.M. Stolker,

volgens besluit van het College voor Promoties

te verdedigen op donderdag 14 december 2017

te klokke 10.00 uur

door

Baoyan Ren

Geboren te Dingzhou, China

in 1985

Promotor: Prof. dr. M. van Eck

Promotiecommissie:

Prof. dr. H. Irth LACDR, Leiden (voorzitter)

Prof. dr. J.A. Bouwstra LACDR, Leiden (secretaris)

Overige Leden:

Prof. dr. J.A.P. Willems van Dijk LUMC, Leiden

Prof. dr. E.A.L. Biessen MUMC, Maastricht

Prof. dr. M.P.J. de Winther AMC, Amsterdam

The studies presented in this thesis were performed at the Division of Biopharmaceutics, Leiden Academic Centre for Drug research (LACDR), Leiden University, Leiden, The Netherlands.

Financial support by the Dutch Heart Foundation and the Leiden University Foundation for the publication of this thesis is gratefully acknowledged.

路漫漫其修远兮，吾将上下而求索。

--屈原 (Quyuan, c. 340 - 278 BC)

Sixty years ago I knew everything; now I know nothing; education is a progressive discovery of our own ignorance.

-- Will Durant

Table of contents

Chapter 1	General introduction	9
Chapter 2	Hematopoietic Arginase 1 deficiency results in decreased leukocytosis and increased foam cell formation but does not affect atherosclerosis	41
	<i>Atherosclerosis 256 (2017): 35-46.....</i>	<i>41</i>
Chapter 3	Hematopoietic Akt2 restoration enhances foam cell formation but does not affect atherosclerosis in Akt2/LDL receptor double knockout mice	63
	<i>Manuscript in preparation</i>	<i>63</i>
Chapter 4	Macrophage MKP2 deficiency is associated with an M2-driven foam cell phenotype and increases atherosclerosis susceptibility of LDL receptor knockout mice ..	79
	<i>Submitted for publication.....</i>	<i>79</i>
Chapter 5	Enhanced atherosclerotic lesion development in LDL receptor knockout mice lacking Upstream Stimulating Factor 1 (Usf1) in bone marrow-derived cells	97
	<i>Submitted for publication.....</i>	<i>97</i>
Chapter 6	Summary and perspectives	119
6.1	English summary	120
6.2	Nederlandse samenvatting	129
	Abbreviations.....	145
	List of publications	147
	Curriculum Vitae	149
	PhD Portfolio.....	151
