Nawoord (Acknowledgements)

Hoewel er op de voorkant van dit boek slechts één naam staat, had dit proefschrift niet tot stand kunnen komen zonder de medewerking van vele anderen. Op deze plaats wil ik graag de gelegenheid nemen om hen daarvoor te danken.

Allereerst dank ik natuurlijk mijn promotor Joanne van der Leun en copromotor Maarten Kunst voor hun begeleiding. Joanne, ik dank jou voor alle vrijheid die je me gegeven hebt bij het schrijven van dit proefschrift, ik heb veel van jou mogen leren de afgelopen jaren. Maarten, veel dank voor al het vertrouwen dat je in mijnen kunnen hebt gehad en dat je altijd voor me klaar stond. Jouw vrijwel altijd positieve feedback en het denken in oplossingen heeft mij ontzettend geholpen als ik het even niet meer zag (zitten). Ook wil ik Karlijn Kuijpers danken die aan het begin van dit traject betrokken was als copromotor. Jouw punctualiteit en heldere schrijfstijl die ik bij het schrijven van de systematische review heb mogen ervaren, hebben mij ontzettend geholpen bij het schrijven van de overige hoofdstukken.

De leden van de leescommissie wil ik danken voor het lezen van het manuscript en hun constructieve suggesties: Ben Bradford, Tineke Cleiren, Erwin Muller, Anthony Pemberton, en Nina Peršak. A special thanks to Ben Bradford and Jonathan Jackson (and the PhDs at the Criminology department of Oxford University and at the Methodology department of London School of Economics): My stay in London would not have been the same, and certainly less pleasant, if it weren't for you!

Graag wil ik ook de mensen danken die mij geholpen hebben bij de data-verzameling voor dit manuscript. Ten eerste wil ik Mariëlle Jansen en Arma Feijlbrief danken voor hun hulp bij het contact leggen met slachtoffers die recent aangifte hadden gedaan. Daarnaast wil ik Armelle van den Burg, Anouk Haakman, Anke van der Hoeven, Egge Luining, Nawras Nassar, en Marijke van der Wiel bedanken voor hun hulp bij het contact leggen met en het telefonisch interviewen van deze slachtoffers. Uiteraard dank ik alle slachtoffers (en studenten) die bereid waren om ons telefonisch en in persoon te woord te staan en antwoord te geven op de vragen die wij hen stelden.

Collega's van het Instituut voor Strafrecht en Criminologie, ik dank jullie voor de fijne werkomgeving, jullie betrokkenheid en de fijne gesprekken. In het bijzonder wil ik een aantal (oud) collega's bedanken voor hun gezelligheid op, maar ook zeker buiten het werk: Avalon, Babette, Chantal, Esther,

Karin, Funda, Michèle en Rolf. Daarnaast bedank ik een aantal collega's die mij vooral het afgelopen jaar veel gesteund hebben bij het afronden van het manuscript en/of bij het voorbereiden van voorstellen voor nieuw onderzoek: Jan, Jelle, Jochem en Janne.

Tenslotte richt ik mij tot mijn privé-omgeving: mijn familie en vrienden. Vrienden, ik dank jullie vooral dat ik het bij jullie niet over mijn proefschrift hoefde te hebben en we veel drukker waren met het uitproberen van nieuwe biertjes, festivals en films. Bijzonder veel dank aan mijn beste vriend. Jij kent mij als geen ander en ik ben er dankbaar voor dat deze vriendschap al zo lang duurt. Mijn broer en zus wil ik op deze plaats danken; jullie oneindige doorzettingsvermogen in het sporten is inspirerend. Als ik ook maar een klein beetje daarvan in mijn werk kwijt kan, weet ik zeker dat dit niet mijn laatste mijlpaal zal zijn.

Mijn vader en moeder wil ik bedanken voor hun onvoorwaardelijke steun en vertrouwen. Ik dank jullie voor de wijze levenslessen en ik ben er trots op om jullie jongste dochter te mogen zijn.

Nathalie

Curriculum Vitae

Nathalie-Sharon Nandita Koster was born on February 27, 1989 in Goa, India. She started studying Criminology at Leiden University in 2007, obtained her Bachelor's degree in 2011, and her Master's degree in 2012. She graduated in two specializations (Forensic Criminology and Security Policy and Law Enforcement) and fulfilled two internships, one at Leiden University and one at the Dutch Violent Offences Compensation Fund (DVOC). Upon graduation, she worked as a researcher at the DVOC and as a consultant for a Safety home for the municipality of Hoorn. In 2012 she returned to Leiden University to work as a junior researcher on a project for 'Police & Science'. This project focused on the effect of adequate policing on the emotional wellbeing of victims and their willingness to cooperate in criminal proceedings and formed the basis of her doctoral research, which she started in 2012. This research was funded by a Research Talent grant of the Netherlands Organisation for Scientific Research (NWO). In her doctoral research, she examined to what extent, how, and why crime victims' evaluations of the police response relate to perceived police legitimacy and willingness to cooperate with the police in case of future victimization, using multiple methods. During her doctoral research, she was a visiting scholar at London School of Economics (LSE) and Oxford University in the United Kingdom. She currently works as an Assistant Professor at the Institute for Criminal Law and Criminology at Leiden University, Leiden Law School. She was awarded a Niels Stensen Fellowship to conduct a multi-method study on ethnic minority immigrants' willingness to cooperate with the police. She will conduct this research at University College London, starting September 2018.
