# Migraine and brain changes

Inge Palm-Meinders

The background of the entire page is a deep, dark pink. Overlaid on this are several glowing, ethereal elements. A prominent feature is a series of overlapping, glowing white and light pink lines that form a complex, swirling pattern, resembling a stylized 'S' or a series of interconnected loops. These lines have a soft, luminous glow. Scattered throughout the background are numerous small, out-of-focus circles of varying sizes and shades of pink, white, and light purple, creating a bokeh effect. The overall aesthetic is modern, clean, and visually appealing, with a strong emphasis on light and movement against the dark background.
