## Table of Contents

Chapter 1	--	Transcutaneous immunization: A general introduction	1
Chapter 2	--	Aim of the thesis and study objectives	51
Chapter 3	--	Microneedle arrays for the transcutaneous delivery of influenza vaccine and diphtheria toxoid	55
Chapter 4	--	Immune modulation by adjuvants combined with diphtheria toxoid administered topically in mice after microneedle array pretreatment	77
Chapter 5	--	Preparation and characterization of diphtheria toxoid-loaded elastic vesicles for transcutaneous immunization	97
Chapter 6	--	Transcutaneous immunization studies in mice using diphtheria toxoid-loaded vesicle formulations and a microneedle array	115
Chapter 7	--	Summary, general discussion and perspectives	141
Appendices --			
		I. List of abbreviations	151
		II. Samenvatting/摘要	155
		III. Acknowledgements/致谢	163
		IV. Curriculum vitae	167
		V. List of publications	169
