Title: Physiotherapy in hip and knee osteoarthritis : evidence and daily practice

Issue Date: 2015-02-12

An abstract graphic on a dark blue background. It features a central vertical axis with several bands spiraling around it. The bands are colored in shades of blue, green, and yellow. The spiral starts from the bottom and moves upwards, creating a sense of depth and movement. The bands are of varying widths and are slightly offset from each other, giving it a three-dimensional appearance.
