Author: Luppino, Floriana Samantha

Title: Metabolic disturbances in depression : epidemiological studies on the role of diagnostic approach and treatment setting

Issue Date: 2015-09-03

Curriculum Vitae

Floriana Samantha Luppino werd op 3 september 1975 geboren te Heerlen. Vanaf haar geboorte tot haar 14^e jaar leefde zij in Saronno, Italië. In 1989 verhuisde zij naar Nederland en stroomde zij in op het “Bernardinus College” te Heerlen, waar zij in 1994 haar VWO diploma behaalde. Aansluitend studeerde zij geneeskunde aan de Rijksuniversiteit Leiden. Zij behaalde in 2002 haar artsenbul. Na het opdoen van werkervaring op verschillende medische vakgebieden begon zijn in 2006 aan haar promotietraject. In 2010 begon zij aan haar specialisatieopleiding tot psychiater. In 2012 besloot zij over te stappen naar een andere werkomgeving. Sindsdien werkt zij met veel plezier als alarmcentrale-arts bij alarmcentrale Eurocross.

Floriana Samantha Luppino was born on September 3rd 1975, in Heerlen, the Netherlands. From her birth to the age of 14 she lived in Saronno, Italy. In 1989 she moved to the Netherlands and attended the high school “Bernardinus College” in Heerlen, from which she graduated in 1994. Subsequently she studied medicine at Leiden University. She got her medical doctor (MD) degree in 2002. After gaining a few years experience in different medical fields, she started her PhD-project in 2006. In 2010 she became resident psychiatry. In 2012 she decided to make a career-change. Ever since she works with pleasure as medical doctor for Eurocross International Assistance.
