Title: Measuring quality of care for colorectal cancer care : comprehensive feedback information, driving quality improvement

Issue Date: 2015-01-29

A person in silhouette is climbing a snowy mountain peak. A large, semi-transparent blue map of Europe is overlaid on the scene, with a black outline. The map shows various shades of blue, possibly representing data or regions. The person is in the lower right, moving towards the peak. The background shows a vast, snowy landscape under a cloudy sky.

Measuring quality of care for colorectal cancer care Comprehensive feedback information, driving quality improvement
