Title: The science of fighting terrorism : the relation between terrorist actor type and counterterrorism effectiveness

Issue Date: 2015-11-18

About the author

Teun Walter van Dongen (Bergen op Zoom, 1980) is an independent national and international security expert. He studied History of Societies at the Erasmus University in Rotterdam and International Relations and Diplomacy at Leiden University and the Clingendael Institute. In 2006, he joined the Clingendael Centre for Strategic Studies (CCSS) as a research assistant. When the CCSS became The Hague Centre for Strategic Studies, Van Dongen joined the new organisation as a strategic analyst. In 2011 he was seconded to the National Coordinator for Counterterrorism and Security. In 2013 he founded Teun van Dongen Editing and Policy Analysis. Van Dongen regularly publishes op-eds and commentaries in national newspapers like *De Volkskrant* and *De Morgen* and on international affairs websites like *Aspenia Online*. He also published several articles in peer-reviewed academic journals.
