Title: Effects of a self-regulation lifestyle program for post-cardiac rehabilitation patients

Issue Date: 2012-09-25

'De interessantste vragen blijven vragen.
Ze dragen een geheim in zich.
Bij elk antwoord hoort een "misschien".
Alleen onbelangrijke vragen hebben een duidelijk antwoord.'
'Bedoelt u dat er geen oplossing is voor het begrip "Leven"?'
'Ik bedoel dat er voor het begrip "Leven" verschillende
oplossingen zijn, dus geen oplossing.'
'Zo denk ik er ook over, oma Rozerood.
Er is geen oplossing voor het leven,
behalve dan maar gewoon te leven.'

'Oscar en oma Rozerood' (2004)
