## APPENDIX 2. LIST OF MARRIAGE DISPENSATION CASES

Case	Region	Decision	Applicant	Wife candidate	Husband candidate	Reasons that the judges gave	State Law cited	Adat/religious Law cited
A 7/Pdt.P/ 2016/PN/Bli	Bangli	granted	fathers of the candidates	Brahmana 19-year-old Hindu farmer	Sudra 18-year-old Hindu private employee	As the girl is pregnant, if she does not immediately marry, there will be a situation of <i>cuntike/lethi</i> according to <i>adat</i> and religion. <i>Adat</i> law does not set a certain age limitation on marriage, and it allows the marriage of children. This is because in <i>adat</i> law, marriage is not merely the union of both individuals but also the union of two families ( <i>keluarga kerabat</i> ). An underage marriage or a marriage of children is not a problem in <i>adat</i> law because the families will guide the wife and husband, so <i>adat</i> law does not prohibit the marriage of children. The minimum age limit provisions in A7(1) mean that married persons are expected to have maturity, mental maturity, and adequate physical strength. Due to the circumstances of a six-month-long pregnancy, it is appropriate to grant marriage dispensations. The decision also does not conflict with the rules, legislation, or <i>adat</i> law in force in the applicants' place of residence.	A6, A7, A47, A50 of Marriage Law 1974 A34 A35 of Law No.23 2006 juncto Law No.24 2013 Administration	<i>Adat</i> law does not set an age limit for marriage. In <i>adat</i> law, marriage is between two families.
B 13/Pdt.P/ 2016/PN.Bli	Bangli	granted	fathers of the candidates	Sudra 18-year-old Hindu farmer	Sudra 18-year-old Hindu farmer	As the girl is pregnant, if she does not immediately marry, there will be a situation of <i>cuntike/lethi/kotor</i> according to <i>adat</i> and religion. After the discussion between the two families, they planned the marriage. There was no barrier to conducting the marriage either in terms of kinship or <i>adat</i> relationships. There is no prohibition against conducting marriage under Balinese <i>Adat</i> Law and Hinduism. If the marriage dispensation is not granted, there will be unfavourable negative impacts on both parties, so the judge believes that the best legal solution is to provide a marriage dispensation. Granting marriage dispensations has been reasoned and is not against state law.	A7 Marriage Law 1974	There is no prohibition on conducting marriages under Balinese <i>Adat</i> Law and Hinduism
C 60/Pdt.P/ 2016/PN.Bli	Bangli	granted	father of the wife candidate	Sudra 14-year-old	Sudra 20-year-old	They have been in <i>pacaran</i> for three months, and the relationship went over the limit ( <i>Hubungan tersabit melampaui batas</i> ). The wedding is already planned on 28th October. The girl is eight weeks pregnant. The man is ready to be responsible for his actions, and the marriage must be carried out immediately so that their child has a clear status.	A7 Marriage Law 1974	

Case	Region	Decision	Applicant	Wife candidate	Husband candidate	Reasons that the judges gave	State Law cited	Adat/religious Law cited
D 104/Pdt.P/2016/PN Srp	Semarang	granted	mother of the wife candidate	Sudra 14 years old at the time of marriage (2013)	Sudra	As a result of a free relationship ( <i>akibat pergaulannya yang begitu bebas</i> ), the girl became pregnant. They already married in July 2013 and have a child without a birth certificate. When they married, the girl was underage. To now seek a marriage certificate ( <i>akta perkawinan</i> ), they must obtain permission from the Court. Underage marriage is strongly discouraged as it risks the reproductive health of women who are unprepared and still psychologically unstable. Thus, it should not be too easy to grant dispensations for underage marriages if there are no logical reasons for the children's interest. Their marriage (pregnancy) was caused by their social freedom and lack of supervision from parents, so the future of the newborn baby requires a complete family consisting of a father and a mother to raise, care for, and devote love to the baby's growth. Child protection aims to guarantee the fulfillment of children's rights to live, grow, develop, and participate optimally in accordance with human dignity and values, and to be protected from violence and discrimination. Their marriage was a lawful marriage carried out by a Hindu religion, so it has fulfilled the provisions of A2(1) of the Marriage Law.	A2(1) A6 A7 Marriage Law 1974 A3 Law No. 23 of 2002 on Child Protection	
E 28/Pdt.P/2016/PN.Srp	Semarang	granted	mother of the husband candidate	Sudra 17 years old at the time of marriage (2014)	Sudra 17 years old at the time of marriage (2014)	As a result of a lack of supervision by the parents, the girl and the boy had a free and spouse-like relationship ( <i>hubungan layaknya suami istri</i> ), and the girl became pregnant. When the baby was born (December 2015) the boy was still underage (under 19), so they needed permission from the court to marry. They were married in October 2014. At that time they were both 17 years old. As they obtained their parents' permission for the marriage, and as their marriage was based on mutual love and not coercion, the marriage was lawful. They had an <i>adat</i> marriage in July 2012 and had a baby. As under-age marriage is strongly discouraged as it risks the reproductive health of women who are unprepared and still psychologically unstable. According to the Decisions ( <i>Keputusan-keputusan dan Ketetapan-ketetapan</i> ) of the Parisada Hindu Dharma (PHDI Kabupaten Badung, 1986), the validity of a Hindu marriage is determined by the presence of <i>panyangsakara</i> with <i>biuta</i> witnesses and <i>penjaksi</i> (witness) from <i>prajuri adat</i> ( <i>adat</i> leader) as elements from <i>manusa saksi</i> . ## APPENDIX 3. LIST OF SEX CRIME CASES

Case	Decision	Defendant	Victim	Pacaran	Information	Reason	State law cited	Adat/religious law cited
A	six months imprisonment with one year of probation	18-year-old boy Hindu high school student	18-year-old high school student	yes	The girl is five months pregnant. She did not want to marry the boy as she already had another boyfriend. Now she is married to another person, and has given birth to her baby.	Because of her pregnancy, the girl had to marry and become a housewife, and consequently, she cannot enjoy her childhood with her peers. Anak/2016/ PN Dps	two years of imprisonment and three months of vocational training	16-year-and-10-month-old boy Islam technician vocational school student	16-year-and-5-month-old girl	yes	When the victim was reluctant to start sexual intercourse, the defendant convinced her by promising to take responsibility and saying that he wanted sex as proof of her love towards him. The defendant sent SMS messages, including "just come to my room", "let's play", and "come on".	The defendant caused shame on the victim among her community and school. He damaged her future. His <i>action</i> disturbed society. <i>The</i> defendant is still young, and he can still reflect on his actions and continue his education. <i>Peace</i> has been made between the families of the victim and the defendant. The victim's family has forgiven the defendant's act.	A81(2) Law No.23 of 2002 A332(1) Law No.11 of 2012 Law No.8 of 1981	
E 7/Pid.Sus. When the victim said, "it hurts", the defendant immediately took out his penis, but the victim was bleeding. The boy told the girl "do not tell anybody. Do not tell your parents that we slept together. Tell them we just took walks." It is a 'suka sama suka' case. The boy invited the girl to his room because he heard from his friend that she was not a virgin. Pregnancy test: negative.	Though intercourse was based on mutual willingness and without compulsion, the action of the defendant negatively impacted <i>the</i> victim amidst <i>her</i> community. <i>The</i> victim's reputation was tainted. She is scorned by the surrounding community as she is not a virgin. This has resulted in <i>prolonged</i> shame on both the victim and her extended family. The defendant's act is not a good example for other children. His act has caused trauma and <i>shame</i> on the <i>victim</i> among her communities and schools. His act damaged the victim's future. His act disturbed society. ## Curriculum Vitae

*Hoko Horii* was born in Osaka, Japan on 19 July 1990. She completed primary education in Hyogo in 2003, and secondary education in Osaka in 2009. In 2009, she moved to Tokyo to study law at Keio University, where she obtained a Bachelor of Laws (LL.B.) in 2013. During her study in Tokyo, she was involved in several extra-curricular activities, both in Japan and abroad.

In 2010, she stayed in Jakarta, Indonesia for an internship at Fauna&Flora International. While helping the organization's activity on environmental awareness-raising programs, she organized workshops on environmental conservation and exhibition on the Minamata disease. After returning to Japan, she initiated the WorldWideMinamata project and was engaged in advocacy and awareness-raising on mercury-related diseases due to industrial pollution. In relation to the project, she participated in UNEP Intergovernmental Negotiating Conferences on Mercury Treaty, Chiba, Japan & Nairobi, Kenya. In 2011-2012, she studied as an exchange student at Leiden Law School. Besides the study, she worked as an internship at Van Vollenhoven Institute for a research project on the commoditization of an alternative bio flue crop in Indonesia. In 2012, after returning to Tokyo, she did an internship at the Japanese Ministry of Justice, for a project on development of civil law in Laos. In the same year during the summer, she stayed in Yangon, Myanmar, to work at Mulodo Inc., for their project on local business development.

On 18 April 2013, she gave birth to her daughter, Michi. She continued to follow her academic passion by enrolling in a Master's program "Cross-Border Legal Institution Design" at Nagoya University, funded by the Japanese government's program for Leading Graduate Schools. During the study, she was a research assistant at the Center for Asian Legal Exchange. She also worked at Dreamrunway Salon and Spa, in Cebu, Philippine, for a local development project. For her master thesis, she conducted fieldwork in West Java, Indonesia, in 2014 and 2015. In 2015, she obtained a Master of Laws (LL.M.) from Nagoya University.

In March 2016, she returned to Leiden University, to work as a PhD researcher at Van Vollenhoven Institute for Law, Governance and Society (VVI) and Royal Netherlands Institute of Southeast Asian and Caribbean Studies (KITLV) under supervision of prof. dr. A.W. Bedner and prof. dr. G.A. van Klinken. In 2016 and 2017, she conducted fieldwork in Bali, where she stayed with her daughter.
