1.9 Concluding remarks *49*

2. Considering animals: moral status and interests *53*

2.1 The moral status of animals *53*
2.2 Perspectives on well-being *57*
2.3 Why we need to take agency seriously *61*
2.4 What is in the interests of animals? *70*
2.5 Concluding remarks *75*

3. How interests generate moral rights *77*

3.1 An interest-based theory of moral rights *77*
3.2 From interests to rights *80*
3.3 The moral right not to be made to suffer *85*
3.4 The moral right to life *86*
3.5 The moral right to freedom of opportunity *88*
3.6 Concluding remarks *99*

4. Health interests: a matter of rights? *101*

4.1 Why health matters: pathology and opportunity *101*
4.2 Why not just duties? *104*
4.3 Considering a negative right to health *105*
4.4 The efforts of animals and their entitlements *107*
4.5 Is citizenship required? *109*
4.6 Going cosmopolitan *111*
4.7 Concluding remarks *114*

5. The right to health: its social, interspecies, and ecological determinants *117*

5.1 The need for a decision rule *117*
5.2 A modest account: protection against standard threats to health *119*

5.3 The right to be unhealthy? *122*
5.4 Anything beyond the medical? *126*
5.5 Ecological and interspecies determinants *128*
5.6 Concluding remarks *133*

6. The right to health in the wild *137*

6.1 Do we owe anything to animals in the wild? *137*
6.2 The right to be left alone: individual flourishing *138*
6.3 The right to be left alone: collective flourishing *139*
6.4 Considering the right to health in the wild *144*
6.5 Freedom and health: the Assateague horses *149*
6.6 Concluding remarks *156*

7. Great ape health policy *159*

7.1 Great apes in captivity *159*
7.2 The health of great apes: more than charity *162*
7.3 Vaccinating great apes *163*
7.4 Should great apes be vaccinated? *165*
7.5 Should we enroll great apes in medical research? *171*
7.6 The ethics of habituating great apes *184*
7.7 Considering isolated peoples *188*
7.8 What about already habituated great apes? *190*
7.9 Concluding remarks *194*

8. General Conclusion *197*

Bibliography *205*
Summary *221*
Samenvatting *223*
Acknowledgements *227*
Curriculum vitae *231*
