Author: Meeuwis, S.H.

Title: Placebo and nocebo effects in itch : from conditioning to psychophysiological effects

Issue Date: 2020-06-03

The background of the cover is a light greenish-yellow color with faint, wavy lines suggesting a misty or forest atmosphere. On the left and right sides, there are stylized illustrations of tree trunks and branches with small green leaves. The title is centered in a bold, black, serif font.

PLACEBO AND NOCEBO EFFECTS IN ITCH

From conditioning to
psychophysiological effects
