Title: A screening based approach to find new paths for targeted treatment in chondrosarcoma

Issue Date: 2020-09-02

A misty forest scene with a stone staircase leading up a hill. The ground is covered in fallen autumn leaves, and the trees have sparse foliage in shades of yellow and orange. The atmosphere is foggy and serene.

**A screening based approach
to find new paths for
targeted treatment in
chondrosarcoma**

Yvonne de Jong
