RECTO

There are two marks preserved at the top of the recto: the one to the right belongs to Khaemwaset (iii), and it is connected to the numeral 350; the next one is the mark of Nakhtmin (vi), connected to 750. Both men appear on the right side of the crew in the turnus. The numerals are quite high, so perhaps they refer to units of wood. There is no immediate connection to the hieratic text; it could be rather an addition to it.⁶

Remains of three columns of entries mentioning: days of working and inactivity, receiving grain rations, beer, bread, dates and other victuals, firewood and plaster. Notably recorded are several occasions of passing the guard posts and carrying torches (i.e. signs of protest), and a feast(?) of Amenhotep I. In a separate note (added later in a larger handwriting) on the verso a scribe started to write down "the arrears of things/provisions of the Tomb, right and left side, from year 16 until year [...] right side through the scribe *Imn-nht* who is dead" (verso ll 2-3).

Date: Year 29 (Černý, *Community of Workmen*, proposes a date between year 16 and 29 of Ramesses III, but on p. 344 he opts for a date in the reign of Ramesses VI; Valbelle, *Ouvriers*, prefers year 29 of Ramesses III; Gutgesell, *Datierung*, year 29).

Day 19-20; III *pr.t* day 2-5; III *pr.t* day 11-18; III *pr.t* day 14; rnp.t-sp 16; IV *pr.t* day 30; IV *pr.t* day [...]; IV *pr.t* day 16-19.

RECTO

Col. I

1- Year 29, month II of *pr.t*, day 10. This day passing the 5 guard posts of the Tomb by the gang

2- saying: "we are hungry; 18 days have elapsed in the month". And they sat down

3- at the memorial temple of *Mn-hpr-R^c*. Arrival of the scribe of the Tomb, the 2 chief workman, the 2 deputies,

4- and the 2 *3t.w*-officers. Calling to them saying: come (back) in! They swore great oaths

5- (saying): "may you come because we have a matter for Pharaoh l.p.h.". Spending the day in this place, spending the night in the Tomb.

6- Year 29, month II of *pr.t*, day 11. They passed again. Reaching the southern side gate of the memorial temple of *Wsr-m3^c.t-R^c Stp.n-R^c*.

7- Year 29, month II of *pr.t*, day 12. Reaching the memorial temple of *Wsr-m3^c.t-R^c Stp.n-R^c*, spending the night in disorder(?) in its gate. Entering into its interior

8- while the scribe *Pn-T3-wr.t*, the 2 chiefs of police, the 2 doorkeeper of the gatehouse of the Tomb...

9-...the chief of the police *Mntw-ms* [went] to Thebes saying: "I will bring the Mayor of Thebes". He...

10-...I said to him: "Those of the Tomb [are] in the mansion of *Wsr-m3^c.t-R^c Stp.n-R^c*". He said to me...

Col. II

2- The scribe of the mat *Hd-nht* and the divine fathers of this temple [came?] to hear their statement. They said to them: "It was because of

3- hunger and thirst that we came here. There is no clothing, no ointment, no fish, no

4- vegetables. Send to Pharaoh I.p.h. our good lord about it and send to the vizier our

5- superior that sustenance may be made for us". And the rations of the month I of *pr.t* were issued to them on this date.

Col. IV

23- Year 29, month II of *pr.t*, day 13. At the gatehouse of the Tomb.

22- That which the chief of the police *Mntw-ms* said: "look,

21- I will tell you my opinion. Go

20- up, gather your tools,

19- seal your doors, bring

18- your wives and your children, and I will go

17- before you to the memorial temple of *Mn-M3^ct-R^c* I.p.h. and I

16- will let you sit down there tomorrow".

Col. II

6- Year 29, month III of *pr.t*.

7- Passing the guardposts by the gang. Settling in the Tomb. Going to fetch them by the 3 captains.

8- Said by the workman *Ms* son of *3-nht*: "By Amun and by the ruler I.p.h., the one whose power is greater

9- than death; if they take me up here today, then he (=I) will lie down and plan a tomb robbery.

10- If I did not, then he (=I) may be given a beating because of his (=my) swearing by the name of Pharaoh I.p.h. there.

11- Going to pass the guard posts at the back of the village by the gang. The 3

12- captains made loud cries to them at the gate of the village, sending the 2 *3t.w*-officers and

13- the 2 deputies by the scribe *Imn-nht* of the Tomb to bring them (back). Returning by the *3t.w*-officer *Rsw-ptr=f*

14- to say to us: "Thus said *Qnn3* son of *Rt* and *H3y* son of *Hy*: we will not come back, tell

15- your superiors! They were standing in front of their companions. Truly, we did not pass (the guard posts) because we were hungry

16- we have an important statement to make. Truly, evil is done in

17- the place of Pharaoh I.p.h.. Thus they spoke. Then we went to hear their statement, and they said to us that they had indeed said it.

18- Year 29, month IV of *pr.t* day 28. Sailing downstream by the vizier *T3* after he had come to take the statues of the gods of the south for the

19- *sd*-festival. Arriving by the chief of the police *Nb-smn* son of *P3-Nhs.y* to say to the 3 captains of the gang, as they were

20- standing at the gatehouse of the Tomb: "Thus said the vizier *T3*: it was not because there was nothing

Col. III

1- to bring to you that I did not come. Now as for you

2- saying: "Do not take away our rations", am I the vizier who was promoted in order to take away?

3- I cannot give you the same thing the one like me has done. It happens that there is nothing even in the granaries,

4- I have given you what I have found". And the scribe *Hri* of the Tomb told them: "Is given to you a half ration.

5- I will distribute it to you myself".

6- Year 29, month I of *šmw*, day 2, giving the 2 sacks of emmer to the gang as ration for the month I of *šmw* by *Imn-h^c* and

7- *Wsr-h3.t-nht*. Said by the chief workman *Hnsw* to the gang: "Look, I will tell you, take the ration

8- and go down to the river-bank to the gatehouse, let the children of the vizier tell it to him".

9- And when the scribe *Imn-nht* had finished giving them the ration, they betook(?) themselves to the river-bank in accordance with

10- what he had told them. But when they had passed one guard post, the scribe *Imn-nht* went and 11- said to them: "Do not cross the river-bank! Truly, I gave you 2 sacks of emmer in this

12- hour, but if you go I will put you in the wrong in any court to which you may go". And I

13- brought them up again.

14- Year 29, month I of *šmw*, day 13, passing the guard posts by the gang, saying: "we are hungry".

15- Sitting down at the rear/back of the memorial temple of *B3-n-R^c Mry-Imn* I.p.h. They called the mayor of Thebes as he was passing by

16- and he sent them the gardener *Mni.w-nfr* of the chief overseer of cattle to say to them: "Look,

17- I gave you these 50 sacks of emmer for sustenance until Pharaoh I.p.h. shall give you

18- rations".

Col. IV

- 1- Year 29, month I of *šmw*, day 16, what the workman *Pn-^cnq.t* said to the scribe *Imn-nḥt*
- 2- and the chief workman *Hnsw*: “You are my superiors, you are the controllers of the Tomb.
- 3- Pharaoh I.p.h. my good lord has caused me to swear an oath that I will not hear a word nor
- 4- will I see an evil deed(?) in the great, profound places and I conceal it.
- 5- Now, *Wsr-ḥ3.t* and *Pn-T3-wr.t* have stripped stones from above
- 6- the tomb of Osiris king *Wsr-m3^c.t-R^c Stp.n-R^c* I.p.h. the great god. And he took an ox
- 7- branded with the brandmark of the memorial temple of *Wsr-m3^c.t-R^c Stp.n-R^c*: it is standing in his stall.
- 8- And he seduced 3 married women: the citizen *Mn^c.t* while she was (married) with *Qnn3*, the citizen

- 11- when it was said to him: “The chief workman *P3-nb*, my father, caused men to take off stones from there.
- 12-...exactly the same and *Qnn3*, son of *Rt* did it

- 14- of king Osiris *Wsr-m3^c.t-R^c Stp.n-R^c* I.p.h. the great god. Let me see what you
