Curriculum vitae

Welmoed Aave Out was born in Haarlem on July 2, 1978. In 1996 she graduated at the Stedelijk Gymnasium Haarlem. The same year she started with her study Biology at the University of Amsterdam, which she completed at the Utrecht University in 2002. Her study included research internships in the fields of Palaeoecology, Ethology, Environmental Education, and an internship in the field of Coevolution at the Centre d'Ecologie Fonctionnelle et Evolutive, Centre National de la Recherche Scientifique in Montpellier, France.

Between 2003 and 2008 she worked as a PhD student at the Faculty of Archaeology at the Leiden University under the supervision of Prof. dr. C.C. Bakels in a project under direction of Prof. dr. L.P. Louwe Kooijmans. Subsequently, she had a temporary position as a Marie Curie Research Fellow Archaeobotany at the University of Sheffield.
