

## Author Correction: Positive memory specificity is associated with reduced vulnerability to depression

Adrian Dahl Askelund , Susanne Schweizer , Ian M. Goodyer and Anne-Laura van Harmelen 

Correction to: *Nature Human Behaviour* <https://doi.org/10.1038/s41562-018-0504-3>, published online 14 January 2019.

In the version of this article initially published, reference #8 (originally Goodyer, I. M., Herbert, J., Tamplin, A. & Altham, P. M. E. First-episode major depression in adolescents. *Br. J. Psychiatry* **176**, 142–149 (2000).) should have been Goodyer, I. M., Herbert, J., Tamplin, A. & Altham, P. M. E. Recent life events, cortisol, dehydroepiandrosterone and the onset of major depression in high-risk adolescents. *Br. J. Psychiatry* **177**, 499–504 (2000). The error has been corrected in the HTML and PDF versions of the article.
