## Table of Contents

|                               |                                                                                                                             |     |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------------|-----|
| <b>Chapter 1</b>              | General introduction                                                                                                        | 6   |
| <b>Chapter 2</b>              | Does sensory-processing sensitivity moderate the effect of household chaos on caregiver sensitivity? An experimental design | 20  |
| <b>Chapter 3</b>              | Self-regulation and impulsivity: Moderators of the effect of household chaos on parenting?                                  | 46  |
| <b>Chapter 4</b>              | Reducing household chaos to improve parenting quality? An RCT using the SHINE intervention.                                 | 74  |
| <b>Chapter 5</b>              | Testing for whom household chaos affects parenting most: sensory-processing sensitivity and self-regulation as moderators.  | 102 |
| <b>Chapter 6</b>              | General discussion                                                                                                          | 130 |
| <b>Supplementary material</b> | Supplemental Material Chapter 2                                                                                             | 146 |
|                               | Supplemental Material Chapter 5                                                                                             | 150 |
| <b>Appendices</b>             | Nederlandse samenvatting (Summary in Dutch)                                                                                 | 180 |
|                               | Dankwoord                                                                                                                   | 185 |
|                               | Curriculum Vitae                                                                                                            | 186 |
|                               | Publicaties                                                                                                                 | 187 |
