# Contents

|  |            |
|--|------------|
| <b>1. Introduction: Bits and pieces</b>                            | <b>9</b>   |
| 1.1 A true fact, alternative choices                               | 9          |
| 1.2 Urnfields on the edge of the continent: The Lower-Rhine-Basin  | 10         |
| 1.3 A historiographical circle                                     | 12         |
| 1.4 From pots to people 2.0  | 14         |
| 1.5 Research questions   | 22         |
| 1.6 Dataset and methodology  | 23         |
| 1.7 Research outline   | 25         |
| <b>2. The whole is more than the sum of its parts</b>              | <b>27</b>  |
| 2.1 Introduction   | 27         |
| 2.2 Practice in practice: more than a habit                        | 27         |
| 2.3 The liminality of death  | 31         |
| 2.4 Death as a <i>Narrative</i>                                    | 36         |
| 2.5 Piecing together <i>personhood</i> in the Bronze- and Iron Age | 37         |
| 2.6 Conclusion   | 39         |
| <b>3. Dissecting the urnfield funeral</b>                          | <b>41</b>  |
| 3.1 From practice theory to theory in practice                     | 41         |
| 3.2 The urnfield mortuary process                                  | 41         |
| 3.3 Building the database: the urnfield mortuary process in cells  | 52         |
| 3.4 Selection of cemeteries  | 68         |
| <b>4. The body and the mortuary process</b>                        | <b>83</b>  |
| 4.1 Introduction   | 83         |
| 4.2 Between deathbed and pyre                                      | 83         |
| 4.3 The cremation process  | 88         |
| 4.4 Between cremation and interment                                | 92         |
| 4.5 Conclusion   | 105        |
| <b>5. Objects and the urnfield mortuary process</b>                | <b>107</b> |
| 5.1 Introduction   | 107        |
| 5.2 Urns   | 107        |
| 5.3 Selection of objects   | 121        |

|  |            |
|--|------------|
| 5.4 Objects in relation to sex and age   | 141        |
| 5.5 Treatment of objects   | 143        |
| 5.6 Animals and the mortuary process   | 148        |
| 5.7 "Admixtures"   | 150        |
| 5.8 Conclusion: So many people, so many ways?                                      | 153        |
| <b>6. Assembling the ancestors</b>   | <b>155</b> |
| 6.1 Introduction   | 155        |
| 6.2 Everybody counts: The inclusivity of urnfields                                 | 156        |
| 6.3 Assembling the dead: Modes of interment  | 161        |
| 6.4 Interring bodies whole: The composition of inhumation graves                   | 182        |
| 6.5 Locating the grave   | 187        |
| <b>7. The related dead</b>   | <b>195</b> |
| 7.1 Meaning through practice   | 195        |
| 7.2 The origin of urnfield mortuary practices in view of a practice-based approach | 201        |
| 7.3 Personhood and the social dead   | 208        |
| 7.4 Land, ancestors and the related dead   | 213        |
| <b>8. Ancestral landscapes</b>   | <b>217</b> |
| 8.1 The first holistic approach to urnfields                                       | 217        |
| 8.2 On the longevity of late prehistoric farmsteads                                | 218        |
| 8.3 The 'population increase thesis' revisited                                     | 220        |
| 8.4 The open structure of late prehistoric burial grounds                          | 224        |
| 8.5 Urnfields as part of ancestral landscapes                                      | 231        |
| <b>9. Breaking and making the ancestors</b>  | <b>233</b> |
| 9.1 A fragmented past  | 233        |
| 9.2 The composite dead   | 236        |
| 9.3 From land and ancestors to ancestral lands                                     | 237        |
| 9.4 The end of the urnfields as we know them                                       | 238        |
| 9.5 Epilogue: Why we do the things we do...  | 239        |
| <b>References</b>  | <b>241</b> |
| <b>Appendix I Inventory of sites</b>   | <b>271</b> |
| <b>Appendix II Radiocarbon dates</b>   | <b>315</b> |
