Title: Metabolic regulation of differentiation and maturation: from induced pluripotent stem cell to endothelial cell

Issue Date: 2021-09-15

Metabolic regulation of differentiation and maturation

From induced pluripotent stem cell to endothelial cell

Gesa Luise van Es – Tiemeier

colofon pagina hier

**Metabolic regulation of differentiation
and maturation**

From induced pluripotent stem cell to endothelial cell

Proefschrift

Ter verkrijging van de graad van doctor aan de Universiteit van Leiden,
op gezag van rector magnificus Prof.dr.ir. H. Bijl,
volgens besluit van het college voor promoties
te verdedigen op woensdag 15 september 2021
klokke 16.15 uur

door

Gesa Luise van Es – Tiemeier

Geboren te Bonn, Duitsland
in 1993

Promotor

Prof. Dr. T.J. Rabelink

Co-promotoren

Dr. B.M. van den Berg

Dr. C.W. van den Berg

Promotiecommissie

Prof. Dr. A.J. van Zonneveld

Prof. Dr. C. van Kooten

Prof Dr. J. Eikenboom

Prof. Dr. M.E. Drukker

Dr. V.V. Orlova

Prof. Dr. M. Levi
