ACKNOWLEDGEMENTS

I would like to express my gratitude to those, who contributed to the completion of my PhD dissertation. First, I would like to thank Indonesia Endowment Fund for Education or LPDP of the Ministry of Finance of the Republic of Indonesia for their financial support that they provided for my doctoral study at Leiden University. I also would like to state my gratitude to Prof. Kees van Dijk, Prof. Dr. H. Imam Suprayogo, and Prof. Dr. H. Mudjia Rahardjo, M.Si. for their recommendations to support my doctoral applications.

I would like to thank Ahmad Nuril Huda, Hilman Latief, Yanwar Pribadi and Sunarwoto for their critical comments on the research proposal of this dissertation. I would like to thank Alfian Sulukh for connecting me with *ustadz* Yusuf Mansur. I would like to thank *ustadz* Yusuf Mansur and Mamah Dede for their generosity to be interviewed for this research project. I would like to thank other people, who assisted me during my ethnographic fieldwork in Indonesia. I would like to extend my gratitude to Margret van Till, the coordinator of LPDP-DIKTI-MoRA scholarships at the faculty of Humanities at Leiden University, especially LIAS management for their help with administrative and financial matters.

I would like to thank all my fellow PhD students, colleagues, and friends in Leiden. In particular, I would like to thank my office mate, Arfian for provoking me with his fast progress of writing his manuscript and for sharing his friendship and coffee. I have enjoyed the company of many friends throughout my PhD: Sudarmoko, Julia, Shafa, Wijayanto, Fifi, Fachrizal Afandi, Nurenzia, Arum, Farabi, Taufiq Hanafi, M. Latif Fauzi, Yance Arizona, Ade Jaya Suryani, Mark van de Water, Hari, Kurniawan, Zamzam, Nazar, Mega, Dian, Manda, Nurmaya, Grace, Doel, Aditya, Rio, Ari, Isma, Farabi, Ayu, Raini, Kusnandar, Maya, Edegar, Wahid, the late Pak Mintardjo, Om Gogol, Teh Meira, Pak Hasyim, Pak Budi, Pak Din Wahid, Shohibuddin, Nuril, Yanwar, Sunarwoto, Trisa, Liyana, Haikel, Nabila, Asad, Fikri, Faris, Jazil, Afnan, Advan, Yoes, Adrian, Prima, Kak Lies, Pak Suryadi, Teh Tuti, Bilal, Wina, Ratna, Angga, Fitri, and others whom I cannot mention one by one for their friendship and support. I thank Andy Fuller for copyediting my dissertation.

I would like to thank my parents, brother, and late mother-in-law for their endless love, support, and prayers. My deepest gratitude goes to my wife, Mufidatul Hasanah, who always loves, supports, and convinces me that I can finish my PhD before returning to Indonesia. I am grateful to have my daughters, Ashila and Azkia, and my son, Aryan for their presence and love, which motivate me to complete my doctoral degree. This dissertation is dedicated to all of them.
