## References for Husserl's works

The following abbreviations will be used throughout the dissertation for references to Husserl's work. Those works pertaining to the *Husserliana* critical editions (The Hague/ Dordrecht 1950ff.) are abbreviated as Hua followed by the Arabic numeral corresponding to the volume. *Husserliana Materialien* (Dordrecht 2001ff.) are abbreviated as Hua/Mat and *Husserliana Dokumente* (Den Haag/Dordrecht 1977ff.) as Hua/Dok, also followed by their corresponding Arabic numeral. All translations are the author's and are followed by the original German, unless reference is made to existing translation. In such cases, the English translation has been cited. The reference to the page number(s) of the English translation follows a semicolon (;) after the German in-text reference. All references to Husserl's unpublished manuscripts are given according to the official Husserl-Archiv signature and page number.
