### Correction to: Clinical Rheumatology

<https://doi.org/10.1007/s10067-020-05546-x>

The original version of this article contained error.

In the last part of the formula under section “Norm group data for timing sleep-wake behaviour in general population (study aim 1)” was described “(=**33:52 h:mm**)”, it should have been “(=**3:52 h : mm**)”. The original article has been corrected.
